VACATION

RENTALS

This vacation, book a vacation rental for the best holiday experience. However, there are certain do's and don'ts to be kept in mind before booking the vacation rental.

DO'S

Make sure that you use a trusted source to find your vacation rental.

Research comparable rental homes and amenities offered.

Find out the services and amenities that you shall get along.

Ensure that you document all the existing damages to the property.

Leave a review about your experience for future renters.

DON'TS

Pay through money orders or by cash.

Forget to lock up the home, no matter how safe the neighborhood is.

Overlook the vacation rental agreement provided by the manager or owner.

Ignore the reviews given by previous renters.

Start your search at the last moment.
