

Stocking Your Vacation Rental Kitchen

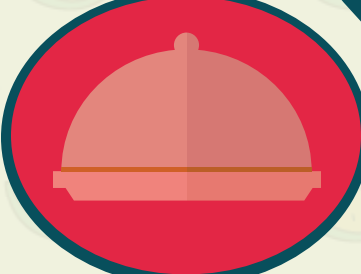

A well-stocked kitchen adds to the comfort of guests staying at a vacation rental. Here are some ways to help you stock your vacation rental kitchen.

Provide sufficient dinnerware like plates, bowls and glasses for enabling your guests to serve a complete meal.

It is advisable to provide basic appliances like microwave oven, coffee maker and refrigerator in your rental. Ensure that the appliances are properly working.

Make sure to stock different sized pots, pans, knives and other utensils necessary for cooking.

Stock appropriate cleaning and maintenance supplies to help your guests in keeping the property neat & clean.
