

# Vacation Rental Booking Checklist

Before booking a vacation rental, it is important to do some research and check important facts such as the features provided, location and more.

*Here is a list of some details to check before booking a vacation rental:*

Availability of parking space.

Proximity to eateries, grocery stores, entertainment centers, etc.

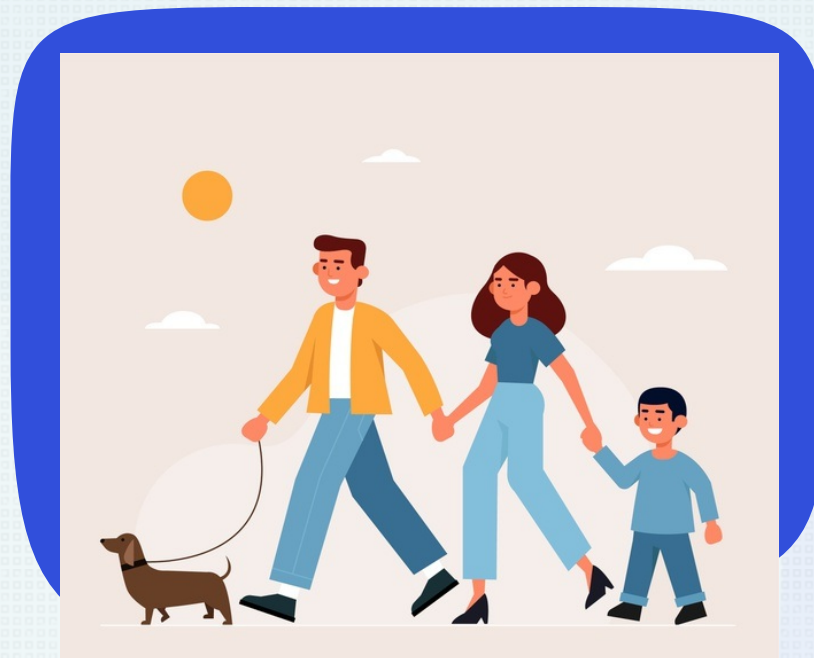

Features and amenities provided.

Number of rooms as per the number of guests.

Security features provided.

Pet policies, if you own one.
